

Special equipment needed- None. Bring plenty of water during the hot summer months.

▲ Difficulty Rating

- **Easiest (solid green circle)-** Gravel or dirt surfaces which are relatively flat and wide. Generally wide enough for an ATV to pass a full-sized vehicle. May be dusty but are relatively smooth throughout with no rocks or roots protruding more than three inches above the surface.
- **More Difficult (solid blue square)-** Loose gravel, sandy, rocky or slickrock surface. May have short sections which are narrow and blind turns, steep or roller coast-er grades, minor drop-offs, dust, ruts and frequent changes in riding surfaces. Occasional obstacles may strike the frame.
- ◆ **Most Difficult (solid black diamond)-** Rocky surfaces, sharp turns, switchbacks, steep grades, narrow passages, low over-hangs, ledges and large rocks. Can be slippery and muddy when wet. May have tree stumps, limbs or other debris. Machines with low ground clearance may strike or high center on obstacles. Some riders may be more comfortable using four-wheel drive machines.
- ◆◆ **Extreme (solid double black diamond)-** May be extremely steep and rocky with ledges and drop-offs, narrow switchbacks, boundaries and uneven or unbalanced trail surfaces. May be long stretches of loose rock or deep sand on steep grades with extreme side-slopes. Some obstacles will high center most machines. Four-wheel drive is recommended. In some areas it may be necessary to walk machines over or have a helping hand. These routes require experienced riders with a full array of good riding skills. All users should consult riding abilities and machine capabilities before attempting these routes.

approximately 20 miles to the west. Bring plenty of drinking water during summer months.

Rest rooms- None.

Camping- Camping is permitted on BLM administered lands.

Emergency services- This is a very remote area. There is limited cell phone coverage. It may be several hours before rescue services will be on site. Be prepared. Make sure you have a tow strap, tire repair kit and basic repair tools.

▲ Cautions

Travel restrictions- The trails traverse the perimeter of the Conger Mountain Wilderness Study Area which is closed to motorized travel. The remainder of the area is open for motorized travel. However, if you cannot read a map or are not with someone who is familiar with the area it is better to follow the signed route to avoid getting lost. Riders are encouraged to stay on existing roads and trails to prevent unnecessary impacts to the land.

Private land- None.

Gates- Leave all gates as you find them. If they are open, leave open. Close if closed.

Livestock- Watch for and avoid livestock. Do not harass. Slow down and let them get out of the way.

Wildlife- Look, but don't disturb. This includes the wild horses.

Hunting- A hunting license does not give anyone the right to travel on closed areas such as Wilderness Study Area. There are no acceptances for game retrieval.

Fire- Check with the BLM office in Fillmore for any open fire restrictions. This area can burn nearly anytime of the year. You will be responsible for any damage and cost associated with a wildfire you cause.

Waste- If you packed it in, pack it out. Do not bury trash.

▲ How to Get There

Location- West Desert

Distance from Redwood Road and North Temple, Salt Lake City- Approximately 205 miles or 3-1/2 hours.

Travel route- South on I-15 to Nepht; southwest on SR-132 to Lyndyl; south-southwest on US-6 to Delta; west on US 50/6 for approximately 63 miles to the trailhead just west of the summit of Kings Canyon or 72 miles to the turnout to the trailhead at Little Valley Well.

▲ Ride Description

Trailheads- Little Valley Well and Kings Canyon

Total miles of recommended trails- 127

Loop ride lengths- 25 to 60+ miles

Difficulty-

- Easiest
- More Difficult
- Most Difficult
- Extreme

Elevation- 5,200 to 6,800 feet

Signage- All routes are or will be signed according to the symbols on the map.

Riding season- Year-round, depending on snow.

Best season- Spring and fall.

Things to see- Wildlife (deer, antelope, eagles/hawks, etc.) Also, this area is home to a large herd of wild horses. Great views of Conger Mountain, North Peak, Deep Creek Mountains, Comiston Mountains and the Snake Creek Mountains in Nevada. Vegetation is grass desert to stands of Piñon and Juniper. The east side is adjacent to the mountains. The east side is located in small canyons.

▲ Services

Water, food, lodging and fuel- None available except in the town of Delta or the Border Inn at the Nevada/Utah state line

SIGNING

Riding on public lands is a privilege not a right. Careless acts of irresponsible riders can result in closure.
