Jordanelle State Park  
Quarterly Newsletter – April 2014

Edition 11  
Page 2

## Spring/Summer 2014 Construction

\*We are pleased to announce that the park entrance at Hailstone will be getting a new look! With cooperative efforts from the Bureau of Reclamation and State Parks, the new entrance will have 3 lanes coming into the park, complete with LED signage, an additional booth, and an automated fee station. We hope this will improve flow into the park.

\*In addition, we will be re-paving the marina parking lot in late May-early June.

\*We will also be replacing the playground at Murdock Camp Services.

\*A full size decontamination station for the prevention of Aquatic Invasive Species will also be installed this summer. This will help decon vessels more quickly and thoroughly. However, the best method is still to clean, drain, and dry for the recommended time periods.

## Boat Slip Waiting List starts APRIL 7, 2014

Beginning Monday, April 7 at 8:00AM, any person 18 years of age or older can be placed on the waiting list by submitting an application and required fee in person at Jordanelle State Park. A non-refundable fee of \$20 will be charged per waiting list applicant for the two year time period. All waiting lists expire October 31, 2015. If a slip becomes available, the \$20 fee will not be applied towards the lease payment.

## Spring Updates

- The ice is almost gone!
- Two campground loops are open with power only.
- Ross Creek trailhead is open.
- We will open more facilities as we get closer to late May.

As more restrooms open, we will increase fees to regular rates which are as follows:

### 2014 Jordanelle Fee Schedule

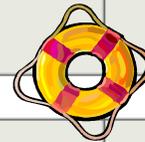

2014 Fees	*WeekDAY	WeekEND	HOLIDAY
Camping RV full hookups	\$28	\$28	\$28
Camping RV partial hookups	\$25	\$25	\$28
Camping Tents, no hookups	\$20	\$20	\$22
Camping Hike-in, no hookups	\$16	\$16	\$16
Camping Extra Vehicle (all)	\$10	\$10	\$10
Boat Slip	\$20	\$20	\$20
Cabin	\$65	\$80	\$80
Keetley Group Campsite	\$150	\$150	\$150
Day Use (Expires at 10pm)	\$10	\$12	\$12
Day Use - Ross and Rock Cliff	\$7	\$7	\$7
Day Use - Seniors 62 & older	\$5	\$5	\$5
Day Use - Seniors, Ross & Rock Cliff	\$4	\$4	\$4

## Safety Equipment Checklist

After dusting off your boat from a long winter, make sure you have all the safety equipment you need and are required to have on board. It's also a great idea to get a FREE Vessel Safety Inspection by a Ranger or US Coast Guard Auxiliary member. Your insurance rates might be lowered, check with your agent.

### REQUIRED BOATING SAFETY EQUIPMENT

Checklist Item	Under 16 feet long	16 to less than 26 feet	26 feet and longer
Display of Registration Decals	Yes (a)	Yes (a)	Yes (a)
Registration Card On Board	Yes (a)	Yes (a)	Yes (a)
Display of Bow Numbers	Yes (b)	Yes (b)	Yes (b)
Fire Extinguisher	Yes (c)	Yes (c)	Yes (c)(d)(e)
Spare Propulsion	Yes	Yes for vessels under 21' recommended for others	Recommended
Bailing Device	Yes	Yes	Yes
Sound Producing Device	Strongly Recommended	Yes	Yes (f)
One Life Jacket for Each Person On Board (kids under 13 wearing)	Yes	Yes	Yes
Type IV Throwable Floatation Device (PFD)	Strongly Recommended	Yes	Yes
Proper Navigation Lights	Yes	Yes	Yes
Meets Noise/Muffler Requirements	Yes	Yes	Yes
Adequate Ventilation	Yes	Yes	Yes
Approved Flame Arrestor	Yes (g)	Yes (g)	Yes (g)
Capacity Plate Displayed	Yes (h)	Yes for vessels under 20' (h) manufacturer's option for 20'+	Manufacturer's Option
Hull Identification Number (HIN)	Yes	Yes	Yes
Proof of Liability Insurance	Yes, for PWCs and motorboats with 50 hp or greater engines	Yes, for motorboats with 50 hp or greater engines	Yes, for motorboats with 50 hp or greater engines

- (a) Required for all registered vessels. Registration is required for all motorized and sailing vessels.
- (b) Required for all registered vessels except U.S. Coast Guard documented vessels.
- (c) Not required for outboard motorboats of open construction; however they are recommended for all motorboats.
- (d) Vessels 26 ft to 40 ft must carry two B-I or one B-II fire extinguisher(s).
- (e) Vessels 40 ft and longer must carry three B-I or one B-I and one B-II fire extinguisher(s).
- (f) Vessels 40 ft and longer must carry a bell in addition to a horn or whistle.
- (g) Required for inboard gasoline engines equipped with a carburetor.
- (h) Vessels exempt from this requirement include: sailboats, canoes, kayaks, inflatable vessels, and vessels manufactured prior to 1973.

**Aquatic Invasive Species News**

Lake Powell is the most recent victim of this invasion. Thousands of adult Quagga mussels have been found from Glenn Canyon Dam to Bullfrog Bay, some 95 miles away. These creatures first came to the states in the 1980's and have been making their way west. State officials have estimated that an infestation in Utah could cost more than \$15 million annually if our water system pipes become coated with mussels. These little creatures reproduce by the millions, suck precious nutrients out of the water harming fisheries, leave their sharp shells on beaches, clog infrastructure and recreational equipment.

**Some scary facts:**

- One adult female can produce up to a million eggs each year.
- Newly hatched mussels (called veligers) are microscopic. They easily latch onto boats and other items in the water.
- Adult mussels can live for about 30 days in water that collects on boats and equipment.

**What can we do?**

•**The best method is to CLEAN, DRAIN, and DRY.** Remove all mud, plants and animals, and then thoroughly wash every part of your boat, trailer, and equipment. Before you leave the lake, eliminate all water from your boat, including its wells, ballasts and engine-cooling water. Allow time for your boat to completely dry before you launch in other waters. This amount of time will vary from days to weeks, depending on the humidity and temperature. In the summer, your dry time should be at least 7 days.

**Inspect everything: if it gets wet, it could harbor mussels.**

•**Be observant and spread the word!** Share your knowledge of this invasion with others. Watch for boats with plants or encrusted motors and report them immediately to authorities.

•**Quagga Technicians are available for you.** Each water body will have techs working to talk to boat owners and determine if they have been in infested waters. They can provide a professional decontamination, but keep in mind, self-decontamination is best. It can be very difficult to get to all parts of a boat and kill any possible mussels. Completely drying out your boat is best. Be sure to fill out the Mussel Free Certification form each time you launch. If you don't travel too much, an annual form is available on-line. <http://wildlife.utah.gov/invasive-mussels.html> Hotline: 1-800-662-3337

Months	Dry time
March, April and May	18 days
June, July and August	7 days
September, October and November	18 days
December, January and February	30 days

**STOP AQUATIC  
 HITCHHIKERS!™**

Prevent the transport of nuisance species.  
 Clean all recreational equipment.

The Wasatch Back Quad-fishalon was a great success! Last event is scheduled at Rockport for Saturday, April 12.

Thank you to everyone that came out for this great event and congratulations to the winners. 1st place was Ken Gray 655/2226 (25.5", 5lbs), 2nd place was Chris Willies 599/1876, and 3rd was Mike Sacco 585/1506. It was exciting to see all the big fish! Here are some photos from the event at Jordanelle.

Special thanks to **SCHEELS** for sponsoring this event as well as Mountain Land One Stop in Heber.

**PROTECT YOUR BOATING INVESTMENT!**

Indoor winter storage and boat winterization available at Jordanelle Marina. To reserve a space or make an appointment call 435-615-7397. Entrance to the park is free when dropping off your boat for service or storage.

Jordanelle State Park

## 2014 Event Dates

### HAILSTONE

- April 5-6: Ski Gatta
- May 31: Sail-a-palooza
- May 31: Ultimate Bass Team Tournament
- June 7: Scheels Paddle Sports Demo, free w/park entry
- July 19: Fire on the Water
- July 26: Star Party, Salt Lake Astronomical Society
- August 2: PCSUP CUP, stand up paddle board race
- August 4-5: Tentative \* Outdoor Retailer's Show (closed to public)
- August 11-13: Junior Sailing Regatta
- September 20-21: PCSA Fall Regatta, No Coast Championship
- September 27: Wasatch Mountain Head Rowing Regatta

### ROCK CLIFF & PERIMETER TRAIL

- June 14: Rock Cliff Triathlon
- June 28: XTERRA Half Marathon (trail)
- August 1: Ultimate Challenge Triathlon Relay (Rock Cliff leg)
- August 9: PCSUP Paddle Peddle Paddle Challenge (trail)
- August 16: TriUtah Triathlon at Rock Cliff
- September 6: XTERRA Women's Triathlon (Trail & Rock Cliff)

State Parks Reservations (800) 322-3770 [www.stateparks.utah.gov](http://www.stateparks.utah.gov)

Reservations can be made 4 months in advance from your arrival date for individual sites and 11 months in advance for group sites.
