## SITLA Message

## **OHV Safety Rules**

- 1. Always wear a helmet and other protective gear, including a long-sleeved shirt, long pants, over-the-ankle boots and gloves.
- 2. Never ride on public roads another vehicle could hit you.
- 3. Never ride under the influence of alcohol or other drugs.
- 4. Never carry a passenger on a single-rider vehicle, nor more than an operator and passenger on an OHV designed for two persons.
- 5. Ride an OHV that's right for your size.
- 6. Supervise riders younger than 16; OHVs are not toys.
- 7. Ride only on designated trails and at a safe speed.

8. Get certified. Utah law requires youth eight to 16 to be certified before riding an OHV on public lands. Visit stateparks.utah.gov/ohv for the online course.

Chris suggested to the Council to have Tommy George on the Council as the dealer rep. Tommy gave the Council a background on him. Kevin made the motion to suggest to the Utah State Parks Board Tommy as the Dealer Rep. Todd Anderson seconded, all were in favor.

Chris suggested to the Council to dissolve the youth member of the council since this position has not been filled for the last six years and replace that with a Type II (side by side, UTV) rep. Kevin brought up that a youth member would be very beneficial and it's a different area to represent. Kevin asked if there was a maximum number on the Council. Chris said that it needs to be a discussion from the Council to add another member and then that will need to go through the Parks Board to approve ten members.

Dave asked about the definition of the youth member, maybe look into changing the age requirements to that position. Stacy will send out the definition of the youth member as it is now with suggested wording changes (age requirement change, term length change) to the Council and have the Council vote for that through email. Todd Anderson would like to see the term year reduced.

Todd Anderson made the motion to add the UTV member and to change the youth member age to 14-24 years old with a term of one year minimum with a two year maximum and an option of reappointment. Kevin seconded the motion. All were in favor.

Chris would like the Council to think about a strategic plan for the OHV program and would like to reserve time at the next meeting to brainstorm ideas for the strategic plan.

Josh asked about the RTP progress and status. Chris will talk to John Knudson and make sure where we are.

Todd Adams made the motion to adjourn the meeting. Todd Anderson seconded the motion. All were in favor. Meeting adjourned at 9:00 pm.
