

INFORMED CONSENT, WAIVER AND RELEASE AGREEMENT FOR STARVATION STATE PARK ARCHERY COURSE

The undersigned, being at least 18 years of age and in consideration of usage of the Starvation State Park Archery Course, do hereby agree to this waiver and release. **I will read the rules of the course and follow them.**

I recognize that archery involves a high degree of physical activity and carries a risk of personal injury or property damage. I further recognize there are natural and manmade hazards, environmental conditions, diseases and other risks that in combination with my action(s) or the action(s) of others can cause injury to me or damage to my property. I do hereby agree to assume all risks that may be associated with or may result from my participation at this park, including, but not limited to, actual course activities or while using the parking lots or access paths.

I recognize that archery may involve moderate to strenuous physical activity and may cause physical and/or emotional distress to participants. I state that I am free from any known heart, respiratory or other health problems that could prevent me from safely participating in any of the activities. I certify that I have medical insurance or otherwise agree to be personally responsible for the costs of any emergency or other medical care I receive. I agree to release the state of Utah, its agencies, departments, officers, employees, agents and all sponsors, officials and staff or volunteers from the cost of any medical care I receive as a result of participation at the park.

I further agree to release the state of Utah, its agencies, departments, officers, employees, agents and all sponsors, officials and staff or volunteers from any and all liability, claims, demands, breach of warranty, negligence, actions and causes of actions whatsoever for any loss, claim, damage, injury, illness, attorney's fees or harm of any kind or nature to me arising out of my participation at the park. This release extends to any claim made by my family, estate, heirs or assigns arising from or in any way connected with the aforementioned activities.

CONSENT

Consent is expressly given, in the event of injury, for any emergency aid, anesthesia and/or operation, if, in the opinion of the attending physician, such treatment is necessary.

I have carefully read and understand the contents of the foregoing language, and I specifically intend it to cover my participation at Starvation State Park Archery Course sponsored by the Utah Division of State Parks and Recreation. I acknowledge I have been given a copy of these terms.
