INSTRUCTIONS FOR THE FEDERAL RECREATION TRAILS PROGRAM (RTP) MOTORIZED TRAIL GRANTS

ELIGIBLE PROJECTS AND ITEMS

Listed below are the types of projects eligible for the Federal Recreational Trails Program grant:

- Maintenance and restoration of existing trails,
- o Development and rehabilitation of trailside and trailhead facilities and trail linkages,
- o Purchase and lease of trail construction and maintenance equipment,
- o Construction of new trails (with restrictions for new trails on Federal lands),
- o Acquisition of property for trails/trailheads,
- o Assessment of trail conditions for accessibility and maintenance, and
- Development and dissemination of publications and operation of educational programs to promote safety and environmental protection related to trails (including supporting non-law enforcement trail safety and trail use monitoring patrol programs, and providing trail-related training) (limited to 5 percent of a State's funds).

RTP funding may not be used for non-trail related activities such as:

- Development of campgrounds,
- Purchase of picnic tables,
- o Landscaping,
- o Irrigation system development, and
- Law enforcement or similar patrols.

TRAILS CONSTRUCTION GUIDELINES

See the Trails Construction Guidelines, <u>http://static.stateparks.utah.gov/docs/trailguidelines.pdf</u>. The guidelines provided are very general and the applicant will need to work with local land managers to understand the specific factors that may affect trail design and construction techniques in any given locale. All proposed projects shall follow these guidelines.

THE PROCESS

In preparation for submitting an application, project proponents are encouraged to contact Chris Haller, (801) 349-0487 <u>chrishaller@utah.gov</u> for guidance and to discuss project details. Chris Haller is the Offhighway Vehicle Coordinator and is also administering the Recreation Trails Program grants.

Submitted applications will be reviewed by either the Utah Off-Highway Vehicle Advisory Council or Utah Recreational Trails Advisory Council. These councils were created by legislation and have been vested with the authority to select the recipients of the federal Recreational Trails Program grants.

TIMELINE

Applications must be in the Utah State Parks and Recreation Salt Lake Office on or before 5 PM, Friday May 1, 2015. Late applications <u>will not</u> be accepted.

Please submit trail applications to:

STACY WEBSTER UTAH DIVISION OF PARKS AND RECREATION 1594 West North Temple Suite 116 PO Box 146001 Salt Lake City UT 84114-6001 Applications will be reviewed during the months of May and June. Approvals are expected to be made sometime in September. Applicants may be contacted to clarify the details and merits of their proposal. Applicants may also be contacted to arrange on on-site tour of the project for Advisory Council members.

APPLICATION INSTRUCTIONS

One completed and signed, hard copy application must be submitted via US Postal Service, FedEx, UPS, etc. or hand delivered.

All items listed below under "Application Checklist" must be included in order to be considered for grant funding.

All responses must be provided in space allocated.

Text of responses should be in 11-point Arial font.

Drawings and charts on 8 1/2 " X 11 " document, in either portrait or landscape orientation.

APPLICATION CHECKLIST

- □ COMPLETED AND SIGNED APPLICATION

Project Description

In the space provided, provide project description. Specify what is to be built. If it is a trail, does the project provide physical connections between resources; does it link existing community or regional trails; does it enhance access to recreational opportunities and/or enable residents to use non-motorized means for exercise or recreation? If it is a facility, specify exactly what is to be built. Address current and projected use of trail or facility by providing visitor statistics, traffic counts, usage numbers, or similar data for the area.

Attach one map of the proposed project and one map of the proposed project's location within the State of Utah.

DETAILED DESCRIPTIONS OF ITEMS CHECKED ABOVE: (Give specific measurements and details of work to be to be accomplished under "Project Description" above. Describe methods to be used; i.e. hand vs. mechanical.)

K. EDUCATIONAL PROGRAMS TO PROMOTE TRAIL SAFETY AND ENVIRONMENTAL PROTECTION

Development and operation of trail safety education program(s)

Development and operation of trails-related environment education program(s)

□ Production of trail-related educational material(s) (informational displays, in print, video, audio, interactive computer displays, etc.)

DETAILED DESCRIPTION OF ITEMS CHECKED: (Give details of problem(s) to be addressed, message(s), curriculum(s), method(s) of delivery, etc., under "Project Description" above.)

L. GIVE EVIDENCE OF PUBLIC SUPPORT FOR YOUR TRAIL PROJECT. In the space below address: (1) how the project is part of a comprehensive plan and/or part of an overall trail network and describe its community, regional, statewide or national significance; (2) volunteer or private sector contributions to the project; (3) support from other groups; cooperation and support among adjoining and/or other affected jurisdictions for your project (such as city to city, city to county, city/county with the Forest Service, BLM, National Park Service, etc.)

M. DETAILED PROJECT BUDGET:

Attach a one-page detailed project budget.

Your budget must include source of project funds and when the funds will be available. Show sponsor cash, labor and equipment and any donor contributions such as property, cash, labor or equipment. Project expenses should be broken down by category, item, and quantity. Specify items covered by **your** match.

If your budget includes "contingencies," this dollar amount will not be funded by the program and will not be included as part of the 50/50 match.

This is a critical component of the application. The more detailed the better. Total project costs must correlate with item number 10 and 11 on page three of the application.

ESTMATED ANNUAL OPERATION AND MAINTENANCE COSTS OF THE PROJECT

Who will be responsible for maintenance? _____

N. PAST EXPERIENCE:

| Has your organization | received RTP funding in the past? | 🗆 Yes | 🗆 No |
|-----------------------|-----------------------------------|-------|------|
|-----------------------|-----------------------------------|-------|------|

If yes, provide list of projects funded within the past 5 years and dollar amounts. For each project, specify whether complete or not complete.

O. LETTERS OF SUPPORT:

Please attach no fewer than two (2) and no more than five (5) letters of support for the specific project for which funding is being requested. These should include a letter from each of the partners and any prospective clubs or organizations.

N. NON PROFIT:

Nonprofit organization 🛛 Yes 🔹 No

If so; provide nonprofit 501(c)(3) status; most recent by-laws; approved board meeting minutes for which funding is supported; and supporting financial documentation.

| Permission from land managing agency to complete work: | 🗆 Yes | 🗆 No |
