

## Section B: Project Description – ADDITIONAL PAGE

B1. In the space below, describe the project. Convey the need or problem, and how it would be satisfied or solved. Specify what is to be done. If it is a trail, does the project provide physical connections between resources, link existing community or regional trails, enhance access to OHV recreational opportunities, and/or enable residents to use OHVs? If it is a facility, specify exactly what is to be built. If it is an education campaign, specify any message/s, curriculum, method of delivery, or anticipated outcomes. Address current and projected use by providing visitor statistics, traffic counts, or similar data for the area.

If offered match is very low ( $\leq 5\%$ ), please explain the reasoning behind it.
