

# PERSONAL USE DRONE FLIGHT PERMISSION FORM

**VALID ONLY IF COMPLETELY FILLED OUT AND SIGNED. PERMIT MUST BE IN OPERATOR'S POSSESSION WHILE DRONE IS IN USE.**

## GENERAL INFORMATION

\_\_\_\_\_ State Park grants the undersigned permission to operate a Federal Aviation Administration (FAA) registered Small Unmanned Aircraft System (UAS) within the park's boundaries. This form authorizes personal use only. Any commercial use is strictly prohibited without Special Use Permit (SUP).

## REQUESTOR INFORMATION

1. Name	4. Drone Make and Model
2. Phone Number	5. Remote Pilot Certificate Number - if applicable
3. Address	6. Unmanned Aircraft Systems (UAS) - if applicable
Street Address	UAS Certificate Number
City State Zip	Date Issued Expiration Date

**DRONE SAFETY FEATURES MUST BE PRESENT AND IN GOOD OPERATIONAL CONDITION.  
ALL DRONES MUST COMPLY WITH STATE AND FEDERAL LAW.**

## FLIGHT INFORMATION

7. Purpose of Use:	9. Date(s) and Times:
8. Area Requested:	10. Maximum Altitude:

### Permission is hereby granted to conduct this activity with the following conditions:

- Use shall be as described above. Requestor is responsible for drone and any damages.
- No flight over or filming of people not associated with your group.
- Filming is for personal use and will not be used for commercial purposes (no money or consideration exchanged).
- I understand I am required to display the FAA-issued registration number on the aircraft's exterior.
- **BOR PARKS ONLY: For safety and security reasons, drone use is not permitted within 2,000 feet of a dam or its appurtenant facilities or within the Primary Jurisdiction Zone (PJZ) as outlined in the detailed map, whichever distance is greater. Anyone flying drones within those restricted areas will be prosecuted to the fullest extent of the law.**
- Additional park-specific restrictions: \_\_\_\_\_
- Unsafe conditions or failure to comply with the conditions above will result in permit termination.
- A \$ \_\_\_\_\_ fee has been collected by \_\_\_\_\_. Receipt # \_\_\_\_\_

Issuer:	Permit Valid (from): _____ (to): _____
Authorizing Signature:	Date: _____
Requestor Signature:	Date: _____

**By signing, you agree to the terms of this Permission Form and the FAA Small Unmanned Aircraft System Rules.**

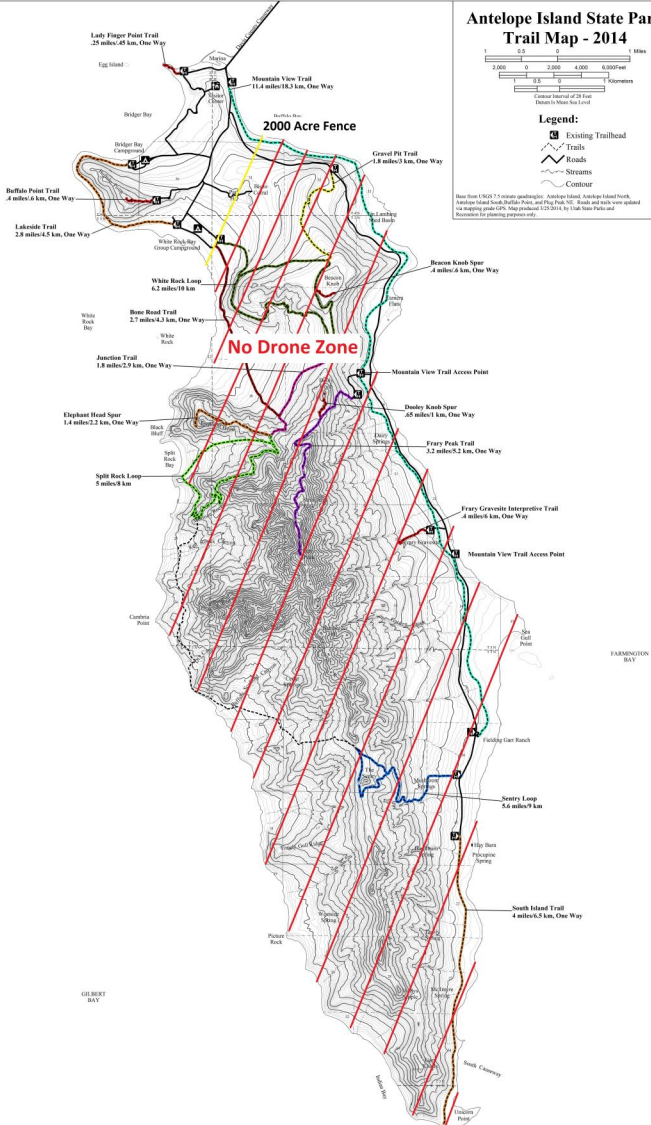

# Antelope Island State Park Trail Map - 2014

## Legend:

- Existing Trailhead
- Trails
- Roads
- Streams
- Contour

Base from USGS 7.5 minute quadrangles: Antelope Island, Antelope Island North, Antelope Island South, Buffalo Point, and Plug Peak NE. Roads and trails were updated via mapping grade GPS. Map produced 1/25/2014, by Utah State Parks and Recreation for planning purposes only.

**No Drone Zone**
