DEPARTMENT OF ALCOHOLIC BEVERAGE CONTROL

Events where NO PERMIT is required

THE "PRIVATE EVENT"

If an event is truly private, not open to the general public, and the alcohol is furnished by the host without charge to those attending, then no alcohol permit is required.

To qualify for this exception to obtaining a permit, you must be hosting a specific social, business or recreational event where:

- The event is being held in a private home, room, area, hall, or building which is either owned or has been leased or rented in advance for a private party.
- The event is limited in attendance to people who have been specifically designated and their guests.
- The alcoholic beverages are furnished without charge.

Perhaps the best example of the "private event" is a wedding where those attending have been specifically invited, are on a guest list, and the host provides the alcohol at no charge to the wedding guests.

You may hold a private event for a single day or several days. There are no set hours for alcohol service. You may serve any liquor, wine or beer at the event as long as it has been properly purchased in Utah. Metering alcohol is not required and bartenders do not have to be certified, though you may choose to do so.

SERVE ALCOHOL RESPONSIBLY - You will want to take precautions to ensure that no one under 21 years of age is served alcohol at your private event as **you are liable** for serving someone who you knew or should have known was under the age of 21. Also, if you allow anyone to become intoxicated and that person injures or causes damage to another person, you may be liable and be sued under the Dram Shop laws.

NO KEGS ALLOWED! - The keg laws prohibit anyone, other than licensed or permitted beer retailers, from being in possession of beer in containers larger than two liters. It also prohibits beer distributors or wholesalers from selling keg beer to anyone other than a licensed or permitted beer retailer. Any beer served at your private event must be purchased at retail stores in bottles or cans.
