

Metal Detecting Agreement Form

It is a privilege to metal detect in the Utah State Park system. The park managers in Utah are required under rule (R651-620-6) to have persons wanting to metal detect in their managed parks to have their patrons be permitted. Jordanelle State Park wants you to enjoy your hobby. Here are some guidelines we want you to follow while metal detecting here, they are:

- Fill out this form of understanding.
- Check in at the office before starting to metal detect within the parks.
- All property of value must be turn over to lost and found at the main office. Should you want the item or items please leave your contact information. *(After 60 days please contact us and should they not be claimed you can claim them.)*
- As you metal detect, we ask that you take any and all trash you find to the dumpster. We appreciate your efforts to keep your parks clean.
- Please do not interfere with other park visitors. Give them their space and time enjoying their parks opportunities also.
- Lastly, have a great time.

I, _____ understand the rules above and will comply with them.
